What documents do I need for the conclusion of cargo insurance?

Whether you want to conclude cargo insurance import or export, it is necessary to submit the following documents and information:

1. Invoice of goods.
2. Packing list of goods.
3. Invoice (information) for transportation value.
4. Information about the route.
5. Information on the mode of transport - road (groupage or full truck) or sea (FCL or LCL).
6. A copy of the transport document - CMR or Bill of Lading.
7. Information on congestion.
8. Information about the vehicle - number of truck, container number, name of ship, etc.
9. Information on what risks you want to cover insurance.
10. Details of the insured person/ company.
11. Full proposal for insurance (we can arrange if necessary).
